**MUNSTER** – CBS 2 Meteorologist Megan Glaros returns home to Northwest Indiana to “Share the Love” as the guest speaker for the 9<sup>th</sup> annual Share the Love event, Wed, Feb. 10 at the Center for Visual & Performing Arts in Munster. A busy broadcasting professional and mother of three, Glaros will share her insight on effective time management.

Sponsored by the Friends of the Cancer Resource Centre in conjunction with the auxiliaries of Community Hospital, St. Catherine Hospital and St. Mary Medical Center, the luncheon program highlights Dyer native Glaros' career.

Her career as an on air meteorologist began at WTAP-TV in West Virginia. She subsequently worked at WPLG-TV in Miami, Florida and at WCBS-TV in New York. Glaros currently forecasts the weather during the CBS 2 Morning News at 4:30, 5 and 6 a.m. broadcasts.

Net proceeds from the luncheon will benefit the Cancer Resource Centre in Munster. The Resource Centre is a program of the Community Cancer Research Foundation, a not-for-profit organization dedicated to improving the quality of cancer care in northwest Indiana and the south Chicago suburbs. All services of the Cancer Resource Centre – support groups, mind-body-spirit classes, educational offerings and a resource library - are offered free of charge to those in need.
