

Vanis celebrates 30 years with a Salon-a-thon

Owner Chris Valvanis and Vanis Salon & Day Spa staff celebrated their anniversary by providing select services for \$30 each and donating the proceeds to the Cancer Resource Centre in Munster. Salon staff at the Crown Point, Schererville and Valparaiso locations offered haircuts, manicures, pedicures, massages, facials and makeup during the four and one-half hour service blitz. Their efforts resulted in an \$8,525 check to the Cancer Resource Centre.
