All Cancer Resource Centre programs are free of charge to cancer patients and their loved ones.

Greetings from the Administrator

This year has been one of great change for us. We lost two individuals who have contributed so much to our organization over the years.

We will miss Donald S. Powers, responsible for starting the Community Cancer Research Foundation (CCRF) and serving on the Foundation Board of Directors as President and a member since inception. A visionary of so many different projects, Mr. Powers provided the leadership and insight necessary to bring the latest in cancer treatments to our area. The CCRF began with his support of clinical research in our community and his acknowledgment of the need for psychosocial support and education via the Cancer Resource Centre.

Support group facilitator and drumming circle leader, Nancy Feldman, inspired hundreds of individuals who participated in her classes since the Cancer Resource Centre first opened. She actively promoted the Centre everywhere she went, telling everyone “miracles” happened here. Although it will be impossible to replace Nancy, we are grateful to have three new leaders to help facilitate activities.

We are truly thankful to have had the contributions of these special people in our past and look forward to working with our new staff who will help us continue to fulfill our mission.

Hoop Dreams
Last April, 41 doctors and other healthcare professionals shed their scrubs, donned gym shoes and took to the basketball court to raise more than $7,000 for the Cancer Resource Centre. The charity game at Munster High School was organized by IT Business Analyst Dan Shih, CFNI Marketing’s Tina Campbell and a host of other Community Healthcare System volunteers. Half-time entertainment included a playoff between two health system families, the Changs and the Siureks - who both previously appeared on *Family Feud*, the syndicated television game show. Who won the basketball game? The Doctors!

Friends of the Cancer Resource Centre recently held their annual membership luncheon. Co-chairs Linda Favors and Katie Fesko help organize group projects that not only raise funding, but also best utilize members’ time and talents. Every year, the group plans the “Share the Love” event in February, decorates a tree for the Festival of Trees luncheon and plans other projects that directly benefit the Centre. The Friends group has raised more than $22,000 to assist with the Centre’s mission. Anyone interested in becoming a member may contact Linda Favors at 219-741-5449.

Ladies Pampered at Midwest Party

Midwest Insurance Center held their first Ladies Night Out. Event organizers Melissa Vis and Katie Norman said that it was important that the $1,000 raised that evening stayed in NW Indiana to benefit friends and neighbors. “We had decided that we wanted the proceeds to go to breast cancer research,” explained Vis. They chose the Community Cancer Research Foundation in Munster.

“I’m glad that we found an organization like the Foundation that keeps the money close to home and benefits the people of our community,” she said.

Vanis celebrates 30 years with a Salon-a-thon

Owner Chris Valvanis and Vanis Salon & Day Spa staff celebrated their anniversary by providing select services for $30 each and donating the proceeds to the Cancer Resource Centre in Munster. Salon staff at the Crown Point, Schererville and Valparaiso locations offered haircuts, manicures, pedicures, massages, facials and makeup during the four and one-half hour service blitz. Their efforts resulted in an $8,525 check to the Cancer Resource Centre.

Charity Softball Fundraiser

Firefighters and police officers scored a victory against cancer during their third annual charitable softball game. The friendly competition took place June 14, 2015 at Community Park, raising $3,000 to benefit the Cancer Resource Centre. Team members representing the Dyer, Griffith, Highland and Munster departments went to bat for the Centre with the Dyer team ending up on top.
